

On the 17-20th of June 2019 took place the first participatory visit in Vinci (Italy) hosted by Associazione Agrado in the frame of the Erasmus+ project:

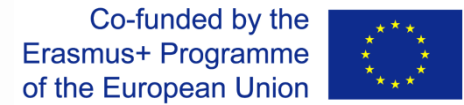

“BREAKING THE SILENCE: FIGHT AGAINST VIOLENCE AND ABUSE OF WOMEN”
(2018-1-HU01-KA204-047751)

It was an amazing chance to know each other better, share and learn about Transactional Analysis as a method and tool to prevent, recognise and fight emotional and psychological violence and manipulation.

Adult trainers could also improve their competences on:

- Pragmatic of human communication
- Emotional Blackmail
- Dramatic Triangle

Additionally, participants visited Lilith: a local organisation taking care of women and children victims of violence, where they could exchange and talk with the operators and psychologists of the Centre and protected residences.
