ACTIVE WOMEN ASSOCIATION

ACTIVE WOMEN ASSOCIATION is an NGO that has been successfully acting 13 years locally and transnationally for women's political empowerment, gender equality, prevention of domestic violence and social inclusion.

ACTIVE WOMEN ASSOCIATION is strongly involved in work in favour of Millenium Goals: equal education for women and girls, economical independence, political participation. We are great practitioners of non-formal education methods and approaches based on feminism, community and self-development, civic engagement, empathy, partnership, recognition of needs, connection with nature, acknowledging women's strenght and wisdom as crucial in contemporary world.
